

Declaration of Reach Compliance

DataApex Ltd. hereby certifies that, in conformity with the European Directive 2006/1907/EU about the regulation on Registration, Evaluation, Authorisation and Restriction of Chemicals, its products are Reach compliant.

Products:	
Colibrick A/D converters	(p/n U31, U32, U34)
Zebrick D/A converter	(p/n B30)
MultiCOM	(p/n MC01)
Validator	(p/n VAL2)
OptUSB	(p/n OPT01)

All materials, components and technologies used in the construction of the products listed above are compliant to REACH specifications (*Directive 2006/1907/EU*) and they do not contain any of the substances listed in European Union’s REACH Substance of Very High Concern (SVHC).

As the identification of a substance as Substance of Very High Concern (SVHC) and its inclusion in the Candidate List is an ongoing process, DataApex Ltd. is regularly reviewing the Candidate List to continuously ensure its REACH conformity.

Please refer to the ECHA website for the SVHC listing status.
